You don't have to be a great golfer to win at our event!

The teams of golfers are divided into three brackets. The first place team is obviously the first place team!

The second place team is the top team in the second bracket!

The third place team is the top team in the third bracket!

This makes the event a lot more interesting for all golfers since anyone could be leading the bottom two brackets!

So come enjoy a day in the sun at Birdfoot Golf Club!

Gather up your foursome and come on down!
